Ajinomoto (Singapore) Pte. Ltd. and Ajinomoto Co., Inc. conducted the lecture about Washoku & Umami for the students in National University of Singapore

SINGAPORE, 2nd February 2021 – Ajinomoto (Singapore) Pte. Ltd. and Global Communication Dept. in Ajinomoto Co., Inc. conducted the lecture about Washoku and Umami for the students in National University of Singapore on Zoom. 114 students joined us and we explained Washoku, how to reduce the salt-intake using Umami and MSG, the safety of MSG and so on. Through the continued research efforts in the last few decades, umami is recognized as a basic taste perception, much like the classic four basic tastes: sweet, salty, sour and bitter.

Ajinomoto Group have been scientifically pursuing the possibilities of amino acids to aim for future growth by creating new value through sustainable and innovative solutions for communities and regions.
